**ENERGY STAR APPLIANCES
SAVE YOU ENERGY & MONEY!!**

Products that have an ENERGY STAR® label have achieved the highest rating a product can earn for energy efficiency. (Translation: they are cheaper to use!) By purchasing an ENERGY STAR® rated appliance, you will use less energy, save money on your electric bill, and help reduce pollution. Look for the ENERGY STAR® label on all kinds of electrical equipment.

Rebates (in the form of a credit on your utility bill) from Moose Lake Water & Light Commission will help you save even more!

**Save Energy! Save Money!
Help the Environment!**

Residential customers of Moose Lake Water & Light Commission are eligible for these rebates. Rebates apply to new ENERGY STAR® rated appliances only.

Applying for your rebate is easy. Just fill out the Rebate Claim Form and send it to Moose Lake Water & Light Commission along with your dated sales receipt, within one year of your purchase.

To view a list of all qualifying models, log onto www.energystar.gov or look for the ENERGY STAR label on appliances. ENERGY STAR appliances are available at appliance retailers in Moose Lake and nationwide.
